

This is Bradford

**International College Prospectus
2023/2024**

UNIVERSITY of
BRADFORD
International College

The UK is one of the top higher education destinations in the world. Thousands of international students choose to study in the country every year because of the exceptional quality of education it offers, industry relevant teaching as well as access to leading employers. By choosing to study with us, you'll be welcomed into an incredible, multicultural student community and experience the best of what living and studying in the UK has to offer.

Oxford International Education Group is a unique, private education provider that operates international colleges, online courses, English language centres across the UK and North America to create life-enhancing experiences for students worldwide. In partnership with the University of Bradford, Oxford International operates the University of Bradford International College – a provider of pathway programmes that prepare international students with the skills they need to flourish in their higher education studies here in the UK.

In this brochure, you will see how studying with us helps build a promising foundation for your professional goals and gives you an unforgettable higher education experience in a vibrant UK location.

Welcome

Welcome to the University of Bradford International College, we are delighted that you have chosen to take the next step in your educational journey with us.

UBIC is an exciting new institution offering a range of courses all designed to equip you with the skills you need to progress onto your chosen degree at the University of Bradford. As you study with us you will improve your study skills, academic knowledge and language proficiency in a supportive environment that ensures that you meet your full potential. The whole team at UBIC are always available to answer any questions you have, help you settle into life in the UK, and guide you to overcome any academic challenges you may encounter.

All of our classes at UBIC are student centred and interactive, focusing on skills and practices that encourage lifelong learning. We look to empower students to take control of their own learning and become creative, analytical and independent learners ready for the challenge of studying in the UK. Although there is a lot of hard work ahead, we are sure you will enjoy the UBIC style of teaching.

This brochure will answer many of your questions about studying at UBIC and living in Bradford. We are all looking forward to welcoming you to UBIC, helping you to achieve your ambitions and sharing in your success.

See you Soon!

Kevin Dunkerley
College Director
University of Bradford International College

1st in England for impact on social mobility*

(*Higher Education Policy Institute's English Social Mobility Index 2022)

Faculty of Health Studies Building

Explore university faculties

The University of Bradford is made up of four academic faculties with each covering a broad range of specialisms.

Faculty of Engineering & Informatics

Through core engineering disciplines and creative technologies, the Faculty of Engineering and Informatics offers students a wide range of opportunities to discover real-world thinking and application. Opportunities such as industrial placements, internships and sector contribute to our curricula. Courses are aligned to industry needs and our graduates are highly regarded by companies such as Ford, Johnson & Johnson, Jaguar Land Rover, Game Republic and Microsoft.

Faculty of Health Studies

The Faculty of Health Studies works with many partners in health and social care and the voluntary, non-profit and non-government sectors to ensure that our students learn from leading industry professionals. In addition, courses offered are approved by the Health & Care Professions Council (HCPC) and Nursing & Midwifery Council (NMC).

Faculty of Life Sciences

The Faculty of Life Sciences offers students access to state-of-the-art facilities on campus such as Bioimaging Suite, Anatomage Table and Human Patient Simulator, and a fully equipped Crime Scene House. Many courses also benefit from accreditations from organisations such as the Institute of Biomedical Science, the General Optical Council, and the General Pharmaceutical Council.

Faculty of Management, Law & Social Sciences

The Faculty of Management, Law & Social Sciences comprises of three schools, School of Law, School of Management and School of Social Sciences. Each school is committed to the vision of preparing job-ready global citizens, and in 2017, 90% of graduates from the triple accredited School of Management went onto employment or further study within six months (HESA).

Your new home

The University of Bradford International College is an embedded college located on the City Campus at the University of Bradford. You will have access to university facilities from day one and enjoy the cosmopolitan student community atmosphere.

City Campus is ideally located just minutes from Bradford city centre with everything you need in easy reach. Our campus is ranked the 4th Greenest in the World and 2nd in the UK (UI GreenMetric World University Ranking 2017). The campus features a building made from hemp, a collection of beehives with student beekeepers, and edible gardens. Sustainable development is embedded in university life.

Tour the campus and facilities from wherever you are in the world:

UK City of Culture 2025

Bradford is the winner of the UK City of Culture 2025. The city will deliver more than 1000 new performances and events including 365 artist commissions, a series of major arts festivals, and many new business opportunities will be created including exciting national and international collaboration.

City Campus

Richmond Building

A diverse city in the heart of the UK

As one of the largest cities in the UK, Bradford has a population of over half a million people. The city is also home to a diverse range of cultures, with over 140 different languages spoken across the city.

The city is a friendly, vibrant, and energetic home away from home – and one of the least expensive student cities in the UK. When not studying, you can explore the incredible galleries, concerts venues, theatres and restaurants. Bradford is also rich in Victorian heritage which is seen throughout the city in its beautiful architecture.

The world's first UNESCO City of Film

Bradford is the world's first UNESCO City of Film. The city's rich film history, inspiring movie locations and film festivals are some of the many reasons students enjoy living here.

8th largest economy in England

Bradford has an economy worth over £9.5bn, the eighth largest in England. Major organisations such as Morrisons, Yorkshire Building Society and Arris (Pace) have their headquarters here. The city is also home to several exciting start-ups and promotes entrepreneurs.

Did you know?

- Bradford is home to the National Science and Media Museum
- The city has been named Curry Capital of Britain for a record-breaking six years in a row
- There are more than 35 public parks across the city
- The city hosts a dazzling range of street events and international festivals
- Bradford was once the capital of the world's wool trade
- Around three-quarters of the Bradford district is green space

City Park, Bradford City

There are over 100 sports clubs & societies

Unique Fitness, Climbing Wall

Discover our inclusive community spirit

You can discover the best of life as a student in Bradford with the many events and activities always happening on campus. You can explore a new hobby, learn a new skill, and meet new people in a truly diverse city and student community.

Students' Union

The University of Bradford Students' Union (UBU) help you get the most from your student life. Every student upon joining will automatically become a member of the UBU. Students will be supported in various ways during their journey at University of Bradford, support ranges from mental health & wellbeing, academic issues, accommodation, legal advice and more.

For more information on our Students' Union, visit:

bradfordunisu.co.uk

Student Testimonial

"When I got the opportunity to study abroad, I was looking for somewhere I felt more comfortable. The options were many, but the multi-cultural idea offered at the UBIC draw my attention when I was making the decision. In addition to the core values which include inclusion and innovation. I just had to make UBIC my number one option."

Kimberley Tanaka Kundodyiwa
Business and Management Pathway

Your accommodation

The Green is the accommodation recommended by the University of Bradford. It is easily accessible from university spaces such as the Students' Union and the library. It is also a short walk away from the city centre and local attractions.

The Green Student Accommodation

Facilities include Wi-Fi, on-site launderette, well equipped kitchen/dining area, shared or en-suite shower room and individual well-furnished study bedrooms. The Student Lounge is in the heart of the Green. It offers a social space where students can get together and relax. It is equipped with a smart TV, PS4 console, table football, giant Jenga and indoor and outdoor seating.

Living costs

Bradford is one of the most affordable cities in the UK, with a wide range of accommodation, supermarkets, and leisure activities to suit all budgets.

Other accommodation

Unipol is a campus-based housing agency to provide help and advice on student accommodation.

To get in touch with the team, please visit:

unipol.org.uk

You can find a few examples of typical costs to give you some guidance at:

bradford.ac.uk/student-life/living-costs

The Green Student Accommodation

Your pathway to university

Our pathway programmes at University of Bradford International College will provide you with the English and academic skills you need to succeed at university. Upon successful completion of your programme, you will progress onto your chosen degree course at the University of Bradford. Our pathway programmes offer you various routes to a degree depending on your level of study, English language ability and subject area.

International Foundation Year (IFY)

The IFY is a level 3 foundation programme that is an equivalent qualification to A levels. During your programme you will develop subject-specific knowledge and improve your academic English language skills in preparation for studying at university.

Subjects offered:

- Business and Management
- Computing and Creative Industries
- Law and Social Sciences
- Science, Engineering and Health

The International Year Zero (IYZ)

The IYZ is the first year of a four-year integrated degree course. Your first year is taught at the college where you will gain extra skills in your subject area, as well as English Language, before you continue to year one of your chosen undergraduate degree course.

Subjects offered:

- Business and Management
- Computing and Creative Industries
- Law and Social Sciences
- Science, Engineering and Health

The International Year One (IY1)

The IY1 is the first year of a three-year undergraduate degree course and equivalent to your first year of study at university.

Subjects offered:

- Business
- Computing
- Engineering

International Incorporated Masters (IIM)

The IIM is offered over one or two terms and provides the advanced academic and English language skills required for entry onto a postgraduate degree course.

Subjects offered:

- Management, Law and Social Sciences
- Science, Engineering and Health

PROGRAMME	ENGLISH LANGUAGE LEVEL*	GRADES
IFY	IELTS 4.5 (With no skill below 4.0)	Completion of high school or equivalent
IYZ / IY1	IELTS 5.5 (With no skill below 5.5)	
IIM One Term	IELTS 6.0 (With no skill below 5.5)	Completion of bachelor's degree or equivalent
IIM Two Term	IELTS 5.5 (With no skill below 5.5)	

*Some progression routes have a higher English language requirement

Level up your career search

Oxford International Education Group has recently launched a careers platform in collaboration with the Student Circus to offer all Pre-Master's (IIM) students exclusive access to visa-enabled jobs in the UK and other countries. You can browse and apply for part-time, full-time jobs, placements, and internships.

Your career after university

This new initiative is available to all IIM students from the moment your registration and attendance has been confirmed at UBIC. It allows you to source suitable jobs without spending hours looking for visa-sponsored jobs. You can use this platform throughout your studies and beyond graduation*.

For more information, please visit: studentcircus.com/

* Only available to Pre Masters' students for 3 years after completion of the Pre-Master's through Oxford International Education Group.

Prepare you for the world of work

In addition to your exclusive access to the job listing, you will benefit from the opportunity to participate in workshops; like the Oxford International Careers Bootcamp, which will involve CV building, how to build your professional profile and more.

The benefits

- Full access of the platform via [oiieg.studentcircus.com](https://studentcircus.com/)
- Filtered Jobs in the UK for visa-sponsorship
- Workshops & webinars
- Global jobs in 30+ Home Countries and Country Guides
- Immigration Guide

How do I sign up?

Student Circus and the student support team at UBIC will contact you to sign up and create your profile. Then you can begin your search for your new role!

Start your journey to a degree course

When applying to University of Bradford International College, you will need to select your desired degree course. You can find our range of pathway programmes and continuation degrees at the University of Bradford on pages 24-27.
