MEET US

Discover what studying and living in York is really like.

Support available in your country

York staff make regular overseas visits. In some countries, we also have local representatives who can provide help and advice with the application process and preparation to study at York. Connect with a representative: york.ac.uk/yourcountry

Talk to a York student

Our International Ambassadors are happy to speak to you about their experience in York. Chat with an ambassador online: york.ac.uk/study/chat

Take an online campus tour

Explore York from the comfort of your own home with our whistle-stop virtual Open Day experience. Watch videos, 360s and take a tour of campus and the city: york.ac.uk/virtual-visit

Discover our online events

Join us for our virtual events that take place throughout the year. See what events we have planned: york.ac.uk/meet-us-online

Get the student view

Get the inside view on life at York – the fun stuff and the challenges – from our student blogs: blogs.york.ac.uk

Well connected

York is one of Britain's best connected cities. It is easy to get to and a great base for exploring the UK. You can be in London in two hours, Leeds in 20 minutes and Manchester in one and a half hours.

CHOOSE YORK

Discover life at York as part of our diverse community of students from over 150 countries.

An outstanding education experience

Let's create. Let's innovate. Let's build a brighter future, together.

Join our global community

Live and study with independent thinkers from over 150 countries and make friends from all over the globe.

Shape your future

Enhance your career prospects through exciting opportunities that help you stand out from the crowd.

Have space to think

Benefit from our £500m investment in new student accommodation and state-of-the-art facilities.

93%

of York graduates entered work or further study within 15 months of graduating

HESA Graduate Outcomes Survey 2020/21, international graduates

27%

of our students are from outside the UK

Undergraduate and postgraduate student headcount 2022/23

Beautiful City

York is regularly voted one of the best places to live in the UK due to its high quality of life

Feel at home

Live and study in our beautiful, green parkland campus and make friends through our college system – it provides an instant social life and a secure, supportive environment.

Try something different

Meet interesting people and enjoy a vibrant social life through a variety of activities on campus. There are over 200 social, cultural, international and religious student-led societies and over 60 sports clubs to choose from.

Explore our city of contrasts

Discover our student-friendly, contemporary city, which is rich in history and regularly named as one of the best places to live in Britain.

"My days at the University of York have been a really exceptional and life-changing experience.

York has everything – excellent academics, beautiful nature on campus, a diverse environment and friendly people."

Abdikarim, Somalia

THE CITY OF YORK

Our idyllic parkland campus is within walking distance of the bustling city centre, which means you can enjoy the best of both worlds.

York is a contemporary, student-friendly city, renowned for its rich history and heritage. With a population of over 200,000, it's a buzzing city that's big enough to feel vibrant and small enough to feel like home.

Shopping and eating: high-street favourites and cosy cafés

Major retail chains and independent stores share York's iconic medieval streets. And if you need a bite to eat, the city boasts a thriving street food scene, high quality restaurants and quirky coffee shops.

Nightlife: creative hotspots and impressive venues

From quirky pubs to popular clubs, York has a diverse mix of venues that showcase aspiring musicians and established acts. The city is also home to a range of museums and galleries, as well as York Theatre Royal and a choice of cinemas.

Family life: green spaces and interactive attractions

York is a great place to raise a family. It has high-performing schools and a wealth of activities and welcoming spaces for you to enjoy. Have a picnic in the Museum Gardens or stroll around Rowntree Park, with its play parks and café, and enjoy fantastic views of York Minster from Dean's Park.

Well connected: idyllic countryside and sweeping coastlines

York's central location is perfect for exploring other UK and European cities. London is only two hours away by train and you can reach Edinburgh in two and a half hours. The beautiful Yorkshire countryside and coastline are also on our doorstep.

Travel independently or as part of a group to make friends and memories. Our Students' Union often arranges trips to cities, national parks and the coast. Find out more: yusu.org

"I love the history of York.

The city walls, the rivers, the arches, the gardens: everything in York tells a story. In a few short months, York has become home for me. **The city is charming, always bustling, yet somehow comfortable.**

I believe York is the perfect blend of history and modernity."

Ishah, India

"I feel blessed to be able to live in York. I love having the comfort and safety of the city combined with many tourist attractions and amazing lush greenery. This is a city like no other!"

Weng Lum, Malaysia

York city guide

CAMPUS LIFE

Our beautiful parkland campus provides everything you need to make the most of your university experience.

Colleges

You will join one of the University's eleven colleges at York. These small, distinct communities will become your home from home. Your college will provide you with a network of support, friendship, facilities, and a full calendar of events and activities to help you settle in.

Culture and entertainment

It's important to unwind during your studies. Whatever you're interested in, you'll find something to enjoy.

On-campus, we have:

- our very own student-run theatre, The Drama Barn
- a cinema run by students, for students, staff and the public
- a whole host of student societies dedicated to music, dance, drama and comedy
- a rich programme of free open lectures and inspirational events such as YorkTalks, our annual research showcase
- York Festival of Ideas, featuring hundreds of free events to educate, entertain and inspire, including talks, exhibitions, theatre, music and film.

Students' Union

Run for, with, and by students, the University of York Students' Union (YUSU) make sure you get the most out of your university experience. They oversee student-run sport and social societies, host a variety of events on campus, provide welfare support and volunteering opportunities and campaign on issues decided by you. Find out more: yusu.org

International Students' Association

The International Students' Association (ISA) is a student group which exists to represent international students' interests, run social events and offer support. Find out more: yusu.org/your-voice/network/international

Societies and sport

There are over 200 student-run societies and over 60 sports clubs for you to get involved in. You don't have to be an expert or pro to join – it's all about new experiences, making friends and having fun. York Sport Village and York Sport Centre also provide a choice of excellent sports facilities.

Food and drink

The campus is packed with places to eat and drink and we cater for a diverse range of dietary requirements. There is also access to convenience stores, where you can pick up your groceries and essentials.

Getting around

We're situated just outside York city centre, and everything is within walking or cycling distance. You can also use the fast and frequent bus service that runs between both parts of campus and on to the city centre and station, or hire an e-scooter or e-bike to whisk you into town. York is one of the UK's most cycle-friendly cities and we have plenty of cycle racks on campus. Explore campus highlights: york.ac.uk/campus-tours

Our commitment to equality, diversity and inclusion

Being an international, research-led university relies on equality in participation, progression and success for all. We are committed to creating a working, learning, social and living environment that will enable all our students and staff to achieve their potential. Our students will experience and celebrate diverse cultures, knowledge and identities and are encouraged to make a positive contribution to the city, region and beyond.

"Student societies are probably one of my favourite things at university. With over 200 different societies at York, you are sure to find something that you enjoy.

From sports such as netball or football to something as specific as hummus making, there's a group for everything and everyone."

Colombe, Switzerland

ACCOMMODATION

All our accommodation is located on or very near campus and is centred around our colleges. Each college has a welcoming, supportive community, so you will soon feel at home.

What are my room options?

Price bands

Prices reflect the size of the room, as well as the number of people sharing kitchen and bathroom facilities.

Catered or self-catered

We offer self-catering and catered options. Both include access to a shared kitchen.

En-suite or shared bathroom

Our rooms either have an en-suite bathroom or they have a washbasin in the room with access to a shared bathroom.

Let lengths

For undergraduate students our rooms are available for 40-week and 44-week lets, which include winter and spring vacations or 50-week lets, which also include most of the summer vacation. All our postgraduate rooms are available for at least 50 weeks, which includes the winter, spring and summer vacations.

Additional requirements

We have rooms suitable for students with health or disability requirements. You should mention these requirements in your accommodation application.

Families and couples

If you are bringing your family or partner with you to the UK it may be possible to stay in accommodation on campus. Only one person in the couple or family needs to be a full-time registered student to be eligible to apply.

Costs

Single, self-catered rooms on campus cost from £99 to £208 per week, with catered rooms available from £143 to £226 per week (prices are for 2023/24 entry and may change).

What is included?

- bedroom, shared kitchen and shared bathroom or en-suite
- wifi and 100Mbps wired internet access with no download limit in every bedroom
- shared kitchens are cleaned once a week and shared bathrooms are cleaned regularly
- electricity, heating, water, and contents insurance
- 24-hour campus security presence.

Find out what to bring with you:
york.ac.uk/students/new/international/what-to-bring

Prioritised accommodation

As an international taught student, you will be prioritised for an offer of accommodation that is owned, managed or approved by the University. See our website for further details: york.ac.uk/accommodation

Living off campus

There is a wide selection of private sector accommodation within walking distance of the University. Rents vary and usually do not include bills for water, electricity, heating or internet access.

Colleges

You will be a member of one of our eleven colleges throughout your time here. Your college will provide you with a network of support and a calendar of events and activities to help you settle in, make friends and explore interests. Find out more: york.ac.uk/college-life

SUPPORT AND WELLBEING

Our support network is here if you need it and we offer dedicated services for international students.

International student support

We will help you settle in through a range of orientation events and support including a Manchester Airport collection service at set times of the year, a Welcome Week at the beginning of the academic year and immigration advice. You can also get to know others through the student-run International Students' Association.

College team

Each college has a wellbeing team of staff and students. They will welcome and support you and help you make the most of college and university life.

Academic supervisor

An academic supervisor will support you through your studies. You will meet regularly and they will advise you on your academic progress and personal development.

Buddying Scheme

The International Student Buddying Scheme supports you by pairing you up with a current student. Your Buddy will share their own university experiences with you and be on hand with friendly advice.

Students with children

Our family network will help you meet and socialise with other parents. Further information on local schools, childcare options and the York Campus Nursey: york.ac.uk/nursery

Open Door and Disability

Open Door is a team of mental health professionals providing support to students. Our Disability Advisers offer support, advice and guidance to students with a diagnosed disability.

"The University pays a lot of attention to mental health and wellbeing. I feel like I could talk to anyone in my department if I feel like I'm struggling. The University also holds many helpful workshops on academic writing and maths skills."

Beliz, Turkey

Independent advice

Students' Union

If you need guidance relating to your course or personal matters you can talk to staff in the Students' Union Advice and Support Centre (ASC).

Chaplaincy

The Christian chaplains at the University are available to people of all faiths and none. There is also a network of contacts from other world faiths and dedicated spaces for prayer and reflection on campus.

Health services

The health centre closest to campus, Unity Health, offers doctors' appointments, a repeat prescription service and walk-in clinics.

Careers support

Our Careers and Placements team offers a range of opportunities to enhance your career prospects, including:

- our unique York Strengths programme to help you identify what you're good at and enjoy most (for first year undergraduates, postgraduate taught students and visiting students)
- networking at regular careers fairs and events (on campus or online) and the chance to explore job opportunities
- volunteering, to broaden your leadership and organisational skills
- advice on part-time work and internships that fit in with your visa requirements
- support to understand your options for working in the UK or preparing to find work back home.

Discover more about how we can help you prepare for your career at york.ac.uk/careers

FIND OUT MORE
Student support

FIND OUT MORE
Careers support

PREPARATION AND ARRIVAL

Once you have accepted your place there are a few things you need to know before you arrive.

Before you leave home

Visa information

If you have accepted your offer and require a Student Visa, you can request your Confirmation of Acceptance for Studies (CAS) online via *You@York*, our online application portal. Once the CAS is issued,

you can apply for your visa. Our Immigration Advice Service offers help and support with your visa application. Find out more: york.ac.uk/students/support/international/immigration

Healthcare

You will need to pay an immigration health surcharge if you require a Student Visa. This entitles you to receive free health services from the National Health Service (NHS). On arrival at York you can register with a doctor/general practitioner (GP) at Unity Health, next to the campus. If you require medical treatment in the UK, a full up-to-date vaccination record (in English, if possible) will help you get the best care possible. There are additional charges for dental treatments available on the NHS.

Student view

Travelling to the UK

International student Gracia, from Indonesia, shares her top tips for travelling to the UK.

Itinerary: Book and arrange your travel itinerary in advance.

Paperwork: Prepare and manage your visa along with other additional requirements (for example, health certificate and vaccination certificates).

Packing: You do not have to bring a lot of daily essentials like toothpaste or soap. For clothes, remember that the weather and climate in your home country and in the UK might be different.

Accommodation: Make sure you have already secured your accommodation in York. Get more student views on preparing for life at York at york.ac.uk/blogs-international

Arriving at York

Airports

We recommend that you arrive at Manchester Airport if possible. We offer a free Manchester Airport collection service in September, where you will be welcomed by University staff and students. You can book your place online after completing enrolment. Alternatively, you can get a train from the airport which takes around two hours. Other nearby airports are Leeds-Bradford and Newcastle International.

The first week

During the first week of Autumn Term, the University of York Students' Union (YUSU) and colleges organise activities and events to help new undergraduates settle in. There are also different events specifically for international students. You'll get to know your new surroundings and meet new people.

Semester dates

Our academic year is split into two semesters with winter, spring and summer vacations. See a full list of term dates: york.ac.uk/termdates

STUDY AT YORK

Why study in the UK?

A UK degree is recognised worldwide by employers and government agencies.

Live and study in a multicultural environment: the UK is home to over 600,000 international higher education students (Higher Education Statistics Agency (HESA) 2020/21).

Find out more about the benefits of studying in the UK: york.ac.uk/study-in-uk

“The standard of learning is next to none. My lecturers and professors are readily available to help with any questions and resources for better learning.”

Chukwudiuto, Nigeria

Types of course

Undergraduate degrees

An undergraduate degree (known as a Bachelors) typically lasts three years. There are also some four year and five-year degrees which might include a work placement, a year abroad or a Masters year (known as an Integrated Masters) with more advanced study. Many courses specialise in a single subject and we offer some joint or combined honours degrees.

Qualifications include:

- Bachelor of Science (BSc)
- Bachelor of Arts (BA)
- Bachelor of Engineering (BEng)
- Integrated Masters (for example, MBiol, MChem, MEng, MMath, MPhys and MSci)
- Law (LLB)

Postgraduate taught

A Masters, or other specialist postgraduate taught degree, will help you develop and build upon the skills and knowledge learned at undergraduate level. They typically last one year.

Qualifications include:

- Master of Science (MSc)
- Master of Arts (MA)
- Master of Business Administration (MBA)
- Master of Engineering (MEng)
- Master of Law (LLM)
- Master of Public Administration (MPA)
- Master of Public Health (MPH)
- Master of Research (MRes)
- MA/MSc by Research
- Postgraduate Certificate and Diploma (PGCert and PGDip)

A range of online and distance learning postgraduate courses are also available.

Postgraduate research

Research degrees are the highest degree awarded by UK universities. They allow you to take an in-depth study of a particular topic.

Qualifications and typical duration:

- Doctor of Philosophy (PhD) – three years
- Master of Philosophy (MPhil) – two years
- Master of Arts (MA) by research – one year
- Master of Science (MSc) by research – one year

We offer some four-year PhDs and a small number of online and distance learning PhDs.

International pathway courses

Our specially designed courses will help you prepare for degree-level study at York. Study at our International Pathway College on campus and benefit from outstanding teaching by University staff. If you complete the course to the required level, you will be guaranteed a place on your chosen degree.

Undergraduate pathway courses

The Foundation Certificate programme is available in the following subject areas:

- Business and Finance
- Computing Science and Engineering
- Humanities, Creative Arts and Media
- Interactive Media
- Law and Social Sciences
- Life Science, Biomedicine and Environment
- Mathematics, Economics and Actuarial Science

See further information: york.ac.uk/ipc

Postgraduate pathway courses

The Pre-Masters courses are available in the following subject areas:

- Business with Law
- Education, Media and Social Sciences
- Management and Quantitative Skills
- Science, Technology, Engineering and Mathematics

See further information: york.ac.uk/ipc

Pre-sessional English courses

Pre-sessional programmes help you to develop your academic language and skills with options to study both on campus and online.

If you need to meet language requirements, we will support you in developing your language and skills within an academic context. This will help better prepare you for your academic life, and students often report feeling more prepared for their degree after studying these programmes.

Our shorter courses are excellent for students who have already met their language requirements, but would like an introduction into academic life at York, along with improving your existing academic language and skills in advance of your studies.

If you are applying for a pre-sessional English language course and require a Student Visa, you must take a UK government-approved Secure English Language Test. After you have accepted your offer, we will confirm which pre-sessional course you should apply to online via You@York, our online portal where you can manage your application.

See further information:
york.ac.uk/presessionals

FIND OUT MORE
Study options

Teaching and assessment

Academics who are leaders in their fields design our courses to inspire and support you to graduation and beyond.

Academic support

You will get the guidance you need from your tutors and academic supervisor and through assessment and feedback, such as coursework, projects, group work and exams.

Flexible options

Many courses allow you to pursue areas of interest by choosing from optional modules within your degree, or in some cases from another subject.

Assessment methods

Assessment methods vary by subject area and module. A combination of examinations, practical work, essays, dissertations, project work and oral assessment may be used.

Tailored teaching styles

You may attend small group tutorials, as well as larger group seminars and lectures, depending on your course. Many modules feature online resources and self-directed learning methods to use out of the classroom.

FEES AND FUNDING

Discover your funding options to help with tuition fees and living costs.

Before you apply to a course, read our detailed guidance on fees, funding and living costs: york.ac.uk/study/international/fees-funding

Tuition fees

International tuition fees depend on the type of course and whether the course is classroom – or lab-based. For 2024 entry to York, international tuition fees range from £22,200 to £29,400 (excluding Medicine). A full list of our tuition fees can be found on our website. Find out more: york.ac.uk/study/international/fees-funding

Masters fee discount

Once you have successfully completed a York undergraduate degree or short course, you could be eligible for a ten per cent tuition fee discount on a Masters degree at York.

Annual fee increases for international students

If you are an international student and your course is longer than one year, you should be aware that the tuition fee in following years will be subject to annual increases. You should take this into account in your financial planning.

The fees quoted in your offer letter are normally for one year of study. Fees are subject to increase in subsequent years in line with the prevailing Consumer Price Index (CPI) inflation rate (up to a maximum of 10%).

Funding support

As a university for public good, York offers a wide range of scholarships and awards to help talented students from all backgrounds achieve their goals. We offer scholarships, bursaries and other funding to help you with tuition fees and living expenses.

Find out more about undergraduate funding:
york.ac.uk/study/undergraduate/fees-funding/international/scholarships

Find out more about postgraduate funding:
york.ac.uk/study/postgraduate-taught/funding/international

Living costs

You can find information on living costs and budgeting on our web pages:

Undergraduate:
york.ac.uk/study/undergraduate/fees-funding/living-costs

Postgraduate:
york.ac.uk/study/postgraduate-taught/fees/living-costs

Work while you study

You could take on a part-time job, such as becoming an International Student Ambassador, to help cover costs, develop skills and strengthen your CV. If you are on a full-time Student Visa you can work up to 20 hours per week in term-time.

“Receiving a scholarship has been the most amazing support to have received from the University and was incredibly affirming as an international student.”

Keaton, USA

Fees and funding

APPLYING: UNDERGRADUATE

Here is your quick guide to applying. You should also read our detailed guidance: york.ac.uk/ug-apply

1. Check the entry requirements

Find requirements for your country: york.ac.uk/yourcountry. You can also find the entry requirements for your chosen course on the course web page.

2. Explore funding options

Various funding options are available to help with tuition fees and living costs. Be sure to check the funding application deadlines.

3. Complete your application

Prepare your personal statement and apply online: ucas.com

4. Track your application

You can track your application online via UCAS Hub. There are two types of offer you might receive from us:

- conditional – you still need to meet some or all of the conditions of your offer
- unconditional – you have secured your place.

Important information

Interviews

Some departments may require you to submit a self assessment, samples of work or attend an interview.

Language requirements

If you are a non-native English-speaking applicant you must provide evidence of your English language ability. If you need to meet a language condition, you may be able to take a pre-sessional language course for entry to your chosen degree. More information: york.ac.uk/ug-apply

International pathway courses

If you do not meet the entry requirements, some of our courses offer you the opportunity to prepare for entry via a Foundation Certificate programme. More information: york.ac.uk/ipc

5. Read the terms and conditions

If your application is successful, you will be notified of your offer via email. If you have been awarded funding, ensure you have read the terms and conditions in your award letter too.

6. Submit documents

You may need to submit the necessary documents to meet any conditions of your offer.

7. Apply for accommodation

Key dates: york.ac.uk/accommodation

8. Apply for your visa

If you require a Student Visa to study in the UK, you will need a Confirmation of Acceptance for Studies (CAS). You can request your CAS after you have accepted an offer. We can issue your CAS once your offer becomes unconditional, and not longer than six months before your course starts.

9. Enrol online

In August, once your place is confirmed, we will email you about how to set up your IT account and complete enrolment.

10. Prepare to join us at York

Find out what to do before you arrive and learn about our free airport collection service from Manchester: york.ac.uk/international-new

guidance

APPLYING: POSTGRADUATE

Here is your quick guide to applying. You should also read our detailed guidance: york.ac.uk/pg-apply

1. Check the entry requirements

Find requirements for your country:
york.ac.uk/yourcountry

You can also find the entry requirements for your chosen course on the course web page.

2. Check the deadline

The deadline for international applications is published on our web pages and you are encouraged to apply early, as entry is competitive. Some courses have different deadlines throughout the year.

3. Explore funding options

Various funding options are available to help with tuition fees and living costs. Be sure to check the funding application process and deadlines.

4. Complete your application

Supply your supporting documents and submit your application online. We do not charge an application fee.

5. Track your application

You can track your application online and upload any final supporting documents via You@York.

6. Read the terms and conditions

If your application is successful, you will be notified of your offer via email. There are two types of offer you might receive from us:

- conditional – you still need to meet some or all of the conditions of your offer
- unconditional – you have secured your place at York.

Your offer letter will be available online at You@York. If you have been awarded funding, ensure you have read the terms and conditions in your award letter too.

7. Apply for accommodation

Further information on accommodation options and for key dates: york.ac.uk/accommodation

8. Apply for your visa

If you require a Student Visa to study in the UK, you will need a Confirmation of Acceptance for Studies (CAS). You can request your CAS after you have accepted an offer. We can issue your CAS once your offer becomes unconditional (and for most postgraduate taught courses, after you have paid the tuition fee deposit) and not longer than six months before your course starts.

9. Enrol online

Once you have accepted an unconditional offer, we will email you about how to set up your IT account and complete enrolment. This will usually arrive around six weeks before your course starts.

10. Prepare to join us at York

Find out what to do before you arrive and learn about our free airport collection service from Manchester: york.ac.uk/international-new

Important information

Applying for a research degree

If you are applying to a research degree you should visit department web pages and contact potential supervisors to discuss research areas before you apply. This will help to ensure a proper match between you and your prospective supervisor.

You will also need to prepare a research proposal with your application. It must outline the topic of your proposed research and the questions it addresses.

What supporting documents do I need?

You will need to supply us with:

- an academic transcript
- CV (optional)
- evidence of financial support (if applicable)

- details of your referees (if requested).

Some courses also require a sample of your written work to further demonstrate your suitability. Find out more: york.ac.uk/pg-written-work-requirements

Language requirements

If you need to meet a language condition, you may be able to take a pre-sessional language course for entry to your chosen degree. More information: york.ac.uk/pg-apply

Pre-Masters pathways

If you do not meet the entry requirements, some of our Masters courses offer you the opportunity to prepare for entry via an international Pre-Masters course. More information: york.ac.uk/ipc

FIND OUT MORE
Applying

UNDERGRADUATE COURSES

Courses last three years unless stated otherwise. Once you start your course you can explore study or work abroad opportunities. There is also an optional placement year as part of your degree. Search our courses: york.ac.uk/study/undergraduate/courses/all

RESEARCH AREAS

These are just some of the many research areas covered by our departments and centres. You can find more information and current PhD opportunities on our website. Search our courses: york.ac.uk/study/postgraduate/courses/all

Archaeology

African Archaeology

Bioarchaeology

Digital archaeology

Experimental Archaeology

Field Archaeology

Heritage and conservation

Material cultures

Medieval and historical archaeology

Prehistory and human evolution

Theory and practice

See also Eighteenth Century Studies and Medieval Studies.

Biology

Biochemistry and biophysics

Bioinformatics and mathematical biology

Cell and developmental biology

Ecology and evolution

Immunology, haematology and infection

Industrial biotechnology

Microbiology

Molecular and cellular medicine

Plant biology

Chemistry

Analytical

Atmospheric

Energy research

Environmental

Green

Inorganic

Molecular materials

Organic

Photochemistry and spectrometry

Physical

Structural biology

Computer Science

Artificial Intelligence

Automated Software Engineering

Cyber Security and Privacy

High Integrity Systems

Human Computer Interaction

Non-standard Computing

Real-time and Distributed Systems

Software Engineering for Robotics

Vision, Graphics and Learning

Economics and Related studies

Applied microeconometrics

Econometrics

Economics theory

Finance

Health economics

Historical economics

Macroeconomics

Political economy

Education

Education and social justice

Archaeology

Architecture

British sculpture

English

Estate and designed landscapes

Gothic literature, drama and orientalism

Histories of race, empire and ethnicity

History

History of Art

Landscape and marine painting

Material culture

Print culture, sociability and literary networks

Romantic literature: science, medicine and urban culture

Science and medicine

Social and cultural history of war

Urban environments

Women's writing

See also Archaeology, English and Related Literature, History and History of Art.

Electronic Engineering

Adaptive devices and architectures

Applied electromagnetics and devices

Audio and acoustics

Biomolecular electronics

Communications systems and protocols

Communication technologies

Computational biomedical systems

Engineering education and management

Engineering education

Entrepreneurship and intrapreneurship

Intelligent systems and nanoscience

Next-generation nanoscale technologies

Signals and waveforms

Skills frameworks

English and Related Literature

Eighteenth century and Romanticism

Medieval

Modern

Renaissance

See also Eighteenth Century Studies
and Medieval Studies.

Environment and Geography

Biodiversity

Climate change

Conservation

Contaminants

Ecotoxicology

Developing innovative solutions to
environmental challenges

Ecology

Ecosystem services

Ecotoxicology

Energy

Environmental chemistry

Environmental management

Environmental policy

Food security

Glaciology

Natural resources

Palaeoecology

Planning

Pollution

Sea-level change

Sustainability

Understanding the causes and
consequences of environmental
change

Global Development

Environmental degradation

Global justice

Sustainability

Health Economics

Econometric methods

Economic evaluation of health
technologies

Equity in health and healthcare

Global health

Health and social care

Health policy

Public health

Health Sciences

Cardiovascular health

Epidemiology and cancer statistics

Health services and policy

Mental health and addiction

Public health and society

Trials and statistics

History

Asia and Middle East

Early modern

Eighteenth century

Medieval

Modern Europe (including Britain and Ireland)

Public history and policy

Religion

Science, technology, environment, medicine

The Americas

See also Eighteenth Century Studies, Global Development and Medieval Studies.

History of Art

Architectural history and theory

British art

Film and new media

Medieval art and medievalisms

Modern and contemporary

Renaissance and Baroque

Sculpture studies

Stained glass studies

Human Rights

Cultures of human rights practice

Economic, social and cultural rights

Human rights and development

Human rights cities

Human rights defenders

Legal empowerment

Non-state actors and international law

Refugee law and policy

Responsibility to protect

Transitional justice

See also Law and Politics.

Language and Communication

Conversation analysis

Cross-linguistic differences

Developing new methodologies

Language in particular settings

Language and Linguistic Science

Forensic speech science

History of English

Phonetics and phonology

Psycholinguistics

Sociolinguistics

Syntax and semantics

Law

Administrative decision-making

Administrative Justice

Art law

Bioethics

Commercial trusts

Crime, protest, and policing

Critical corporate and financial law

Critical corporate law

Digital administrative justice

EU citizenship and welfare rights

Financial crime

Health and Wellbeing

Health care law and ethics

Human rights

Intellectual property

Law, Justice and Power

Mental health

Private Law in Context

Refugees, displacement and free movement

Rights, Equality, Citizenship and Empowerment

Street-level administrative decision-making

Sustainability

The citizen's perspective

Management

Accounting

Actuarial science

Business history

Employment relations

Finance

Human resource management

International business and strategy

Marketing

Operations management

Organisational behaviour

Mathematics

Algebra

Geometry and analysis

Industrial and applied mathematics

Mathematical biology

Mathematical finance and stochastic analysis

Mathematical physics and quantum information

Number theory

Statistics and probability

Medicine

Anatomical and human sciences

Atherothrombosis and metabolic disease

Cancer research

Cardiology research

Clinical trials and methods

Diabetes, endocrinology and metabolism

Experimental medicine and biomedicine

Health and population sciences

Health professions education

Mental health and addiction

Palliative care

Primary care

Respiratory research

Vascular research

Medieval Studies

Archaeology

Art and architectural history

Codicology

History (social, economic, political, cultural, ecclesiastical, intellectual and gender)

Islamic world

Literature (including Old and Middle English, Old Norse, Latin, Italian, French)

Palaeography

Science (history, reception and application)

Viking studies

See also Archaeology, English and Related Literature, History and History of Art.

Modern Studies

Archiving the city

Creative dissonance: writing now

Medievalism and imperial modernity

Modernity, creativity and innovation

Modernist peripheries: fringes and frontiers

Truth claims, activism and cultural practice

World systems

Music

Church music

Community music

Composition (acoustic and electroacoustic)

Contemporary music

Guide for international students

Jazz and improvised music

Music education

Music production

Music psychology

Music technology

Music, science and technology

Musicology and analysis

Performance

See also Eighteenth Century Studies and Medieval Studies.

Philosophy

Aesthetics, art and literature

History of philosophy

Metaphysics (including philosophy of mathematics)

Phenomenology and continental philosophy

Philosophy of medicine and health

Philosophy of mind and perception

Philosophy of religion (especially analytic theology)

Political philosophy

Theoretical and applied ethics

Physics

Condensed matter physics

Nuclear physics

Physics of Life: biological physics and biophysics

Plasma physics and fusion

Quantum theory and quantum

technologies

Politics

Comparative politics

Contemporary political theory

Environmental politics

Gender politics

Global development

History of political thought

Human rights

International political economy

International security

Migration

Peace-building

Public policy
